How to order SimaPro

Send your signed order form to orders@simapro.co.uk

(please use your organisational email address, not gmail)

How do I purchase SimaPro?

Obtaining SimaPro is straightforward. Please supply two things -

- (1) a signed order form
- (2) payment

The order form contains information needed to pay, such as full company, VAT and bank account details. When we receive your signed order form, we will send you an invoice. Please order well ahead of time, because your organisation can take time to pay the invoice.

How do I pay?

You can pay by credit card or bank transfer. You will receive a full VAT receipt. The easiest way to pay is to click on the payment link in the invoice. You can download SimaPro at any time from www.simapro.co.uk. SimaPro will operate in demo mode until payment is received. You will be emailed a registration code within 7 days of payment being received. The code will unlock the full version of the software.

I need to start work with SimaPro quickly, how can I do that?

Paying by credit card is often the quickest, since some accounts departments take a month or more to pay invoices. The easiest way to pay is to click on the payment link in the invoice. If you need to start working with SimaPro before paying, we may be able to offer you a one month free trial of SimaPro. Then, when you have paid and you receive your registration code, you can enter that into the trial version to turn it into the full version.

I need to issue a PO before buying SimaPro, can you respond to a PO?

Certainly. If you send us a PO, we will issue an invoice with the PO number on it. We also need the signed order form. When the invoice is paid, we will email you a registration code to unlock the full version of the software.

What is a Perpetual Licence?

A subscription is for one year. There is also another version of SimaPro called perpetual, which keeps working indefinitely. The perpetual version has a higher up-front cost. It requires the purchase of annual service contracts if support and updates are required after the first year.
